

Independent Training Provider

This training program is independently developed and delivered by **AI Intelligent Solutions**. It is not affiliated with, endorsed by, or sponsored by OpenAI, Inc. or its affiliates. “GPT-5” and “ChatGPT” are trademarks of OpenAI. All references to GPT-5 and ChatGPT are used for descriptive and educational purposes only.

Educational Purpose Only

The content provided in this training is for general educational purposes and is intended to help participants understand and use GPT-5 technology in their personal or professional activities. It is not intended to provide legal, financial, or other professional advice. Participants are encouraged to seek independent professional guidance for their specific circumstances.

No Guarantee of Outcomes

While every effort has been made to ensure the accuracy and relevance of the information provided, **AI Intelligent Solutions** makes no warranties or guarantees regarding the results you may achieve by applying the information learned in this program. The success of applying GPT-5 tools depends on individual skill, judgment, and implementation.

Intellectual Property Rights

All course materials, including but not limited to slides, videos, written guides, and any proprietary methods, are the intellectual property of **AI Intelligent Solutions** unless otherwise stated. These materials may not be reproduced, distributed, or shared without prior written permission.

Limitation of Liability

By participating in this program, you agree that **AI Intelligent Solutions** shall not be held liable for any direct, indirect, incidental, or consequential damages arising from your use of GPT-5, ChatGPT, or any related technology, or from your participation in this training program.

Jurisdiction

This agreement and disclaimer shall be governed by the laws of the Province of Ontario, Canada, for Canadian participants, and by the laws of the State in which the training is delivered for U.S. participants, without regard to conflict of law provisions.
